When you purchase a Trevi pool, you also acquire peace of mind, unparalleled manufacturing quality and safe materials. When you purchase a Trevi pool, you will be satisfied.

THAT'S THE TREVI DIFFERENCE!

Things are always evolving at Trevi. For 30 years now, Trevi pools have been synonymous with quality: unique components, superior quality standards and meticulous manufacturing processes. Technological innovations and state-of-the-art materials are always moving us forward, always allowing us to manufacture ever-better products. Pools that are durable, stylish and ultimately superior ensure your satisfaction for years to come. Trevi can show you pools that are everything you could wish for. Pools that are surprising and different. Pools that will make you say Wow! Is that a Trevi? Yes it is! It's better designed, better built and...better all around! **IT'S THE TREVI WAY.**

TREVI 206

TECHNICAL DETAILS

SPECIAL FEATURES

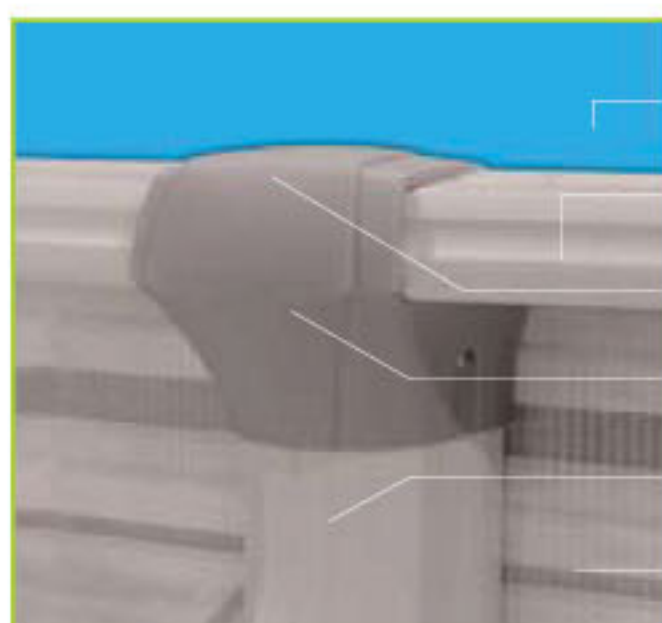

- > Superior quality resin top seat features uniform calibration, UV treatment against discolouration, and a molecular memory to prevent warping. Plus, it's scratch-resistant!

A unique Trevi design, the double pool support post and stay assemblies for the oval model are designed for superior strength as well as aesthetics. The bottom 'Secur-lock' safety track, made of galvanized steel provides greater stability.

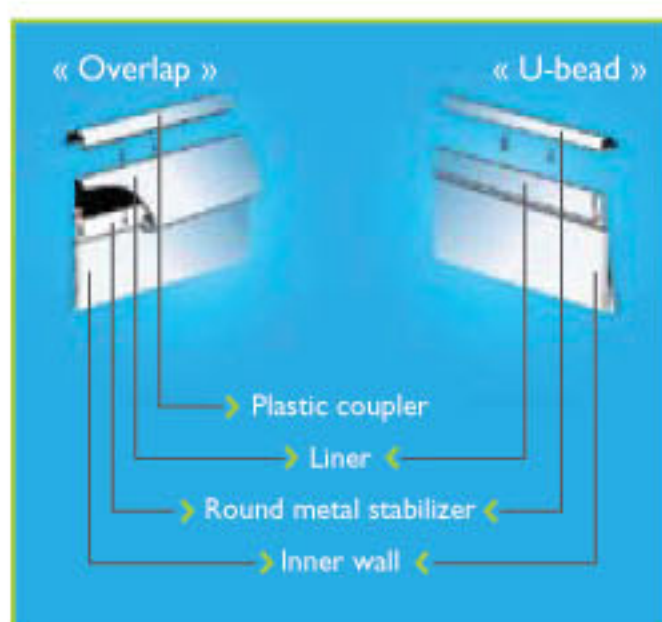

STEEL WALL COMPONENTS

- > Plasticized SP coating
- > Molten zinc coat
- > Primer coat
- > Application of an alkaline solution to cleanse the oxides
- > Ultra-resistant polymer
- > Heat-hardened inlay
- > Primer coat
- > Chromate anti-rust coat
- > Steel wall core
- > Application of an alkaline solution to cleanse the oxides

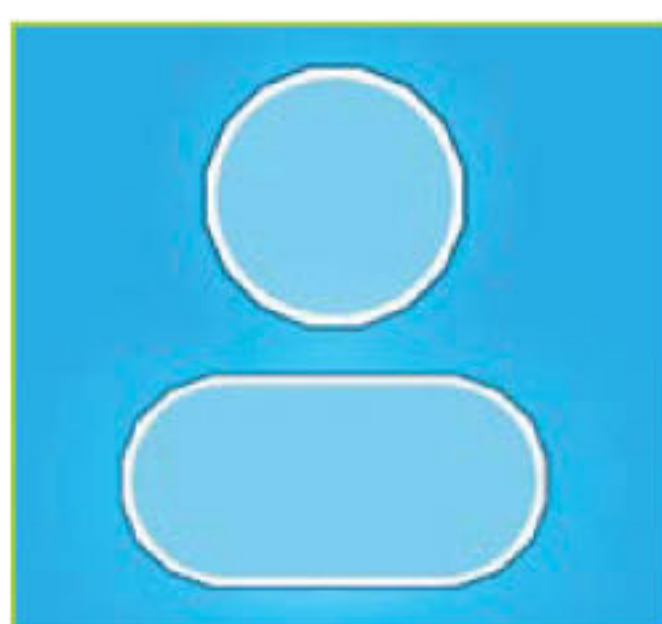

STRUCTURAL ELEMENTS

- > 7" (18 cm) steel top seat
- > Polymer and steel coping
- > Resin seat cap
- > Steel joint plate
- > Resin upright
- > 48" (1.22m) or 52" (1.32 m), steel wall

NEW! TREVICLIP

- > Exclusive liner locking system. Prevents liner setback in case of movement caused by freezing or thawing, and increases overall pool stability. (Available only with "U-bead" liner)
